

WEILL CORNELL MEDICAL COLLEGE  
CONTINUING MEDICAL EDUCATION

**July 2008**

**MEDICINE GRAND ROUNDS**

**Thursdays at 11:00 A.M. – URIS AUDITORIUM**

**Thursday, July 3, 2008**

*CANCELLED FOR THE JULY 4<sup>TH</sup> HOLIDAY*

**Thursday, July 10, 2008**

*Global Health 2008: Weill Cornell in Tanzania*

**Warren Johnson, M.D.**

B.H. Kean Professor of Tropical Medicine  
Chief, Division of International Medicine and Infectious Diseases  
Professor of Medicine  
Weill Cornell Medical College

**Andreas Mauer, M.D.**

Clinical Scholar  
Rockefeller University  
Fellow in Medicine  
Weill Cornell Medical College

**Thursday, July 17, 2008**

*The Seventeenth Annual*

*Department of Medicine Investigators Award*

*Sponsored by the Michael Wolk Heart Foundation*

**Thursday, July 24, 2008**

*New Approaches to the Treatment of Acute Myeloid Leukemia*

**Eric Feldman, M.D.**

Professor of Medicine  
Weill Cornell Medical College

**Thursday, July 31, 2008**

*Paraneoplastic Syndromes*

**Jerome B. Posner, M.D.**

Attending Neurologist  
Memorial Sloan-Kettering Cancer Center  
New York, New York

**Target Audience:** Weill-Cornell physicians in this specialty, other interested physicians and health care providers, and students.

**Statement of Need:** Advances in this field need to be presented on a regular basis as one means of updating physicians on the latest developments in their specialty.

**Course Objectives:** Weill Cornell Medical College CME Activities are intended to lead to improved patient care. By the conclusion of this series, physicians should have a better understanding of recent developments in this field, which in turn should lead to improvements in clinical practice.

**CME Accreditation:** Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Faculty Disclosure:** It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. WCMC CME activities are intended to be evidence-based and free of commercial bias. *If you feel this is not the case, please call the Office of Continuing Medical Education at 212-746-2631 to anonymously express your concerns.*

<sup>1</sup> General Staff Meeting does not count for CME credit

# WEILL CORNELL MEDICAL COLLEGE CONTINUING MEDICAL EDUCATION

## September 2008

### GENERAL STAFF MEETING

Tuesday September 9<sup>th</sup> • Griffis Faculty Club  
7:00-7:30am Continental Breakfast • 7:30-8:30am Meeting

## **MEDICINE GRAND ROUNDS**

**Thursdays at 11:00 A.M. – URIS AUDITORIUM**

**\*\* 9/18 Only: Room Change \*\***

**\*\* Weill Greenberg Conference Rooms ABC at 1305 York Avenue \*\***

**Thursday, September 4, 2008**

*Transplantation: Promises Kept and Hopes to be Met*

**M. Suthanthiran, M.D.**

Stanton Griffis Distinguished Professor of Medicine  
Chief, Division of Nephrology & Hypertension  
Chief, Department of Transplantation Medicine  
New York Presbyterian Hospital-Weill Cornell

**Thursday, September 11, 2008**

*WTC Dust, Gas and Fumes: Respiratory Effects in the Surrounding Community*

**Joan Reibman, M.D.**

Associate Professor of Medicine and Environmental Medicine, NYU  
Director, NYU /Bellevue Asthma Center  
Director of Health and Hospitals Corporation WTC Environmental Health Center

**Thursday, September 18, 2008**

**\*At Weill Greenberg Conference Rooms ABC at 1305 York Avenue\***

*Randomized Control Trials & the Treatment of Individuals:  
The Curious Case of Congestive Heart Failure (& Hypertension)*

**Mark S. Pecker, M.D.**

Professor of Clinical Medicine  
Vice Chairman, Educational Affairs  
Director, Internal Medicine Residency Program  
Weill Cornell Medical College

**Thursday, September 25, 2008**

*Anti-Neutrophil Cytoplasmic Antibodies (ANCA) Associated Vasculitis*

**Robert Spiera, M.D.**

Associate Professor of Clinical Medicine, Division of Rheumatology  
Director, Vasculitis and Scleroderma Program  
Associate Attending Physician, The Hospital for Special Surgery

**Target Audience:** Weill-Cornell physicians in this specialty, other interested physicians and health care providers, and students.

**Target Audience:** Weill-Cornell physicians in this specialty, other interested physicians and health care providers, and students.

**Statement of Need:** Advances in this field need to be presented on a regular basis as one means of updating physicians on the latest developments in their specialty.

**Course Objectives:** Weill Cornell Medical College CME Activities are intended to lead to improved patient care. By the conclusion of this series, physicians should have a better understanding of recent developments in this field, which in turn should lead to improvements in clinical practice.

**CME Accreditation:** Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Faculty Disclosure:** It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs.
