Target Audience: Weill-Cornell physicians in this specialty, other interested physicians and health care providers, and students.

Statement of Need: Advances in this field need to be presented on a regular basis as one means of updating physicians on the latest developments in their specialty.

Course Objectives: Weill Cornell Medical College CME Activities are intended to lead to improved patient care. By the conclusion of this series, physicians should have a better understanding of recent developments in this field, which in turn should lead to improvements in clinical practice.

CME Accreditation: Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty Disclosure: It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. WCMC CME activities are intended to be evidence-based and free of commercial bias. *If you feel this is not the case, please call the Office of Continuing Medical Education at 212-746-2631 to anonymously express your concerns.*

¹ General Staff Meeting does not count for CME credit
